

MAKINA SEWING CENTER

Your child will work on kid-friendly projects designed to teach them the basics in bite size intervals. Most projects are accessories but some garments are included. Each project can take between 1-3 classes and your child may complete as many projects as they'd like to.

KIDS SEWING BASICS

8-12 years old

SEWING BASICS

*6-8, 1hr classes.

This course is designed to teach you the basics. You will learn how to use and troubleshoot the sewing machine, and basic tools and how to use them. We will cover 15 Basic Seams, Seam Finishes, Zipper Installment, Buttonhole and Button Placement. We will cover 7 basic machine feet and you will receive indispensable information on Needles, Thread, Fabric & Interfacing Types.

This course is designed to advance your skill-set. We will review advanced Seams, and additional useful Machine Feet. You will learn the advanced garment construction processes with the help of a store bought pattern. We will cover taking proper body measurements and will prepare a Muslin/Toile, make fit adjustments and finalize a completed garment project of your choice.
